**Adult Volunteers Needed...**

The 4-H program depends greatly on volunteers. Parents are always welcome at any Summer Fun event where travel is not involved. Because of travel constraints a limited number of 4-H Teen Association Members and adult volunteers are needed to chaperone trips. If you are available, please place a star beside the event on your child’s registration form. If your help is needed, you will be contacted. Volunteers are not expected to pay registration fees. In return, they are asked to assist 4-H Staff and instructors in any way possible to insure that participants are well supervised. This means it is not appropriate to bring additional children who are not registered participants. If you have any questions, please contact the 4-H Program at 828-649-2411.
