A Note from 4-H

Greetings! We have several big events this month, in addition to our ongoing 4-H Clubs that meet regularly (Marshall, Mars Hill, & Shelton Laurel). Most of our 4-H Clubs are currently full due to space and limited youth:adult ratios. 4-H is most successful when programs are volunteer-led, because you get to share your talents and passions, and more leaders means that we can serve more children!

If you are interested in co-leading a short-term project (1 day - 2 months), such as intros to livestock, carpentry, arts, or any other relevant life skill, OR if you're game for helping organize or chaperone 4-H youth programs, please contact us! There are many ways to make a difference and we have lots of 4-H project resources to support you!
